Some Humor !

What's the difference between the club and a classroom? In the club, you get taught lessons by your bartender!

Why did the ghost go to the Club? For the boooo-ze, of course!

What did the beer say to its friend at the Club? "Hoppy to see you!"

Why did the beer go to the library instead of the Club? It wanted to get hopped up on knowledge!

Why did the Club stop playing cards? It was tired of dealing with the gin!

Why did the Club hire a ghost as a bartender? Because he was great at pouring spirits!

What do you call a pub with no beer?
A very sobering experience!

What's the difference between a Club and a university? At the Club, the students actually remember what they learned!

Why did the beer go to the Club alone?
Because it didn't want any of its friends lager-ing behind!

Why was the computer cold at the Club?
It left its Windows open!

What do you call a bear that walks into the Club? A bare-tender!

Remember @ "The Club" there is a pool table , shuffleboard and dartboards to play on ! It's always fun !

Stop In ! Connect with friends !

Are you looking for something to do ?
Stop In "The Club" and say HELLO !

HANSON
